SUPPLEMENTAL APPEAL BRIEF

Assistant Commissioner for Patents  
Washington, DC 20231

Dear Sir:

This Supplemental Appeal Brief is being submitted in response to the Order of the Board of Patent Appeals and Interferences dated December 21, 1998 remanding the above-captioned application to the Examiner. After several telephone conversations with Examiner Webster and Mr. Feinberg, Appellants were directed to file a Supplemental Appeal Brief that addresses the first point raised by the Order which states that the originally filed Appeal Brief of October 20, 1995 (Paper No. 23) was defective under 37 C.F.R. 1.192(d) for failing to comply with the provisions of the rule pertaining to the "real party in interest" and "related appeals and interferences". Accordingly, Appellants submit statements regarding the "real party in interest" and "related appeals and interferences" herewith to correct this defect in the previously submitted Appeal Brief.

96-3-604

Appellants respectfully request that the following sections supplement the originally filed Appeal Brief:

**REAL PARTY IN INTEREST**

The Real Party in Interest is GTE Laboratories Incorporated.

**RELATED APPEALS AND INTERFERENCES**

Appellants, Appellants' legal representatives, or the assignee has no knowledge of any related appeals or interferences which will directly affect or be directly affected by or have a bearing on the Board's decision in the pending appeal.

If there are any other fees due in connection with the filing of this Supplemental Amendment, please charge the fees to our Deposit Account No. 07-2339. If a fee is required for an extension of time under 37 C.F.R. 1.136 not accounted for above, such an extension is requested and the fee should also be charged to our Deposit Account.

Respectfully submitted,

Mailed 12/21/98 was a remand for the above-captioned case by the Board of Appeals and Interferences. One point in the remand decision was that Appellant's Appeal Brief filed 10/20/95 (Paper No. 23) was defective for failing to make an explicit statement as to the Real Party in Interest and the Related Appeals and Interferences. Attached is a Supplemental Appeal Brief addressing these items.

Attached is the following for your review:
